## EXPERIENCES

### Unisport Sverige, Hjärnarp — Warehouse worker

2019 - 2021

During school break I worked as a warehouse worker with the role to package, receive and send orders to customers throughout Sweden.

### YooBee Colleges, Auckland, New Zealand — Receptionist

March 2025 - June 2025

During my last semester at YooBee I worked as a receptionist at the school, during this period I helped and interacted with students, teachers and visitors.

### YooBee Colleges Clubs, Auckland, New Zealand — Event Committee President

February 2025 - June 2025

As the president of the event committee at the school I was in charge of the club members and the organization of events on campus and making sure that everything went smoothly.

## EDUCATION

### YooBee Colleges, Auckland, New Zealand — Bachelor of Software Engineering

July 2022 - June 2025

At YooBee I studied Software Engineering with the elective Game Development. While at YooBee I furthered my capabilities and knowledge of programming and game development through both theoretical and practical assignments.

### LBS, Halmstad, Sweden — Technical program game development

August 2019 - June 2022

At LBS Halmstad I studied game development and learnt the basics for programming and game development
